DIRECTORS' REPORT

for the financial year ended 31 December 2019

The directors present their report and the unaudited financial statements for the financial year ended 31 December 2019.

Principal Activity

The principal activity of the company is the manufacture and distribution of high quality and high performance sports, leisure and work wear.

Results and Dividends

The profit for the financial year after providing for depreciation and taxation amounted to €69,373 (2018 - €74,618).

The directors do not recommend payment of a dividend.

At the end of the financial year, the company has assets of €1,434,157 (2018 - €1,279,484) and liabilities of €1,098,658 (2018 - €1,313,358). The net liabilities of the company have decreased by €369,373.

Directors and Secretary

The directors who served throughout the financial year were as follows:

[REDACTED]

The secretary who served throughout the financial year was [REDACTED]

The directors' and the secretary's interests in the shares of the company are as follows:-

Name	Class of Shares	Number Held At 31/12/19	Number Held At 01/01/19
[REDACTED]	€1.27 Ordinary Shares	6,271	6,271
	€1.27 Ordinary Shares	331	331
		<u>6,602</u>	<u>6,602</u>

There were no changes in shareholdings between 31 December 2019 and the date of signing the financial statements.

Post Balance Sheet Events

In the first half of 2020, the Covid19 virus spread worldwide. In common with many other countries, the Irish government issued guidance and restrictions on the movement of people designed to slow the spread of the virus. In early March 2020, many businesses closed voluntarily and throughout the month more restrictions were placed on people and businesses. On 28th March, all "non essential" businesses were ordered to close temporarily.

The company diversified accordingly with the pandemic into the production of [REDACTED] and [REDACTED]. By doing so, the company became an essential business and was not forced to close temporarily like many others.

Accounting Records

To ensure that adequate accounting records are kept in accordance with sections 281 to 285 of the Companies Act 2014, the directors have employed appropriately qualified accounting personnel and have maintained appropriate computerised accounting systems. The accounting records are located at the company's registered office at [REDACTED]

DIRECTORS' RESPONSIBILITIES STATEMENT

for the financial year ended 31 December 2019

General responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable Irish law and regulations.

Irish company law requires the directors to prepare financial statements for each financial year. Under the law the directors have elected to prepare the financial statements in accordance with the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", applying Section 1A of that Standard, issued by the Financial Reporting Council. Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the profit or loss of the company for the financial year and otherwise comply with the Companies Act 2014.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies for the company financial statements and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and profit or loss of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements and Directors' Report comply with the Companies Act 2014. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Directors' declaration on unaudited financial statements

In relation to the financial statements which comprise the Profit and Loss Account, the Balance Sheet, the Statement of Changes in Equity and the related notes:

The directors approve these financial statements and confirm that they are responsible for them, including selecting the appropriate accounting policies, applying them consistently and making, on a reasonable and prudent basis, the judgements underlying them. They have been prepared on the going concern basis on the grounds that the company will continue in business.

The directors confirm that they have made available to [REDACTED] (Chartered Accountants), all the company's accounting records and provided all the information, books and documents necessary for the compilation of the financial statements.

The directors confirm that to the best of their knowledge and belief, the accounting records reflect all the transactions of the company for the financial year ended 31 December 2019.

CHARTERED ACCOUNTANTS' REPORT

**to the Board of Directors on the unaudited financial statements of [REDACTED]
[REDACTED] for the financial year ended 31 December 2019**

In accordance with our engagement letter and in order to assist you to fulfil your duties under the Companies Act 2014, we have prepared for your approval the financial statements of the company for the financial year ended 31 December 2019 which comprise the Profit and Loss Account, the Balance Sheet, the Statement of Changes in Equity and the related notes from the company's accounting records and from information and explanations you have given to us.

This report is made solely to the Board of Directors of [REDACTED] as a body, in accordance with the terms of our engagement. Our work has been undertaken solely to prepare for your approval the financial statements of [REDACTED] and state those matters that we have agreed to state to the Board of Directors of [REDACTED] as a body, in this report in accordance with the guidance of Chartered Accountants Ireland. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than [REDACTED] and its Board of Directors, as a body, for our work or for this report.

We have carried out this engagement in accordance with guidance issued by Chartered Accountants Ireland and have complied with the ethical guidance laid down by Chartered Accountants Ireland relating to members undertaking the compilation of financial statements.

It is your duty to ensure that [REDACTED] has kept adequate accounting records and to prepare statutory financial statements that give a true and fair view of the assets, liabilities, financial position and profit of [REDACTED]. You consider that [REDACTED] is exempt from the statutory audit requirement for the financial year.

We have not been instructed to carry out an audit or a review of the financial statements of [REDACTED]. For this reason, we have not verified the accuracy or completeness of the accounting records or information and explanations you have given to us and we do not, therefore, express any opinion on the statutory financial statements.

We as Directors of [REDACTED] state that -

- (a) the company is availing itself of the exemption provided for by Chapter 15 of Part 6 of the Companies Act 2014,
- (b) the company is availing itself of the exemption on the grounds that the conditions specified in section 359 are satisfied,
- (c) the shareholders of the company have not served a notice on the company under section 334(1) in accordance with section 334(2),
- (d) we acknowledge the company's obligations under the Companies Act 2014, to keep adequate accounting records and prepare financial statements which give a true and fair view of the assets, liabilities and financial position of the company at the end of its financial year and of its profit or loss for such a financial year and to otherwise comply with the provisions of the Companies Act 2014 relating to financial statements so far as they are applicable to the company.

Approved by the board on 22 September 2020 and signed on its behalf by:

NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 December 2019

1. GENERAL INFORMATION

██████████ is a company limited by shares incorporated in the Republic of Ireland. ██████████ is the registered office, which is also the principal place of business of the company. The nature of the company's operations and its principal activities are set out in the Directors' Report. The financial statements have been presented in Euro (€) which is also the functional currency of the company.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

Statement of compliance

The financial statements of the company for the year ended 31 December 2019 have been prepared in accordance with the provisions of FRS 102 Section 1A (Small Entities) and the Companies Act 2014.

Basis of preparation

The financial statements have been prepared on the going concern basis and in accordance with the historical cost convention except for certain properties and financial instruments that are measured at revalued amounts or fair values, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for assets. The financial reporting framework that has been applied in their preparation is the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" Section 1A, issued by the Financial Reporting Council.

The company qualifies as a small company as defined by section 280B of the Companies Act 2014 in respect of the financial year, and has applied the rules of the 'Small Companies Regime' in accordance with section 280C of the Companies Act 2014 and Section 1A of FRS 102.

Consolidated accounts

The company is entitled to the exemption provided for in section 293 (1A) of the Companies Act 2014 from the obligation to prepare group accounts because it qualifies as a small company in accordance with the small companies' regime.

Turnover

Turnover represents the total invoice value, excluding value added tax, of sales made during the year.

Share capital

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of new ordinary shares or options are shown in equity as a deduction, net of tax, from the proceeds.

Dividend distribution

Dividend distribution to the company's shareholders is recognised as a liability in the company's financial statements in the period in which the dividends are paid.

NOTES TO THE FINANCIAL STATEMENTS

continued

for the financial year ended 31 December 2019

Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost or at valuation, less accumulated depreciation. The charge to depreciation is calculated to write off the original cost or valuation of tangible fixed assets, less their estimated residual value, over their expected useful lives as follows:

Long leasehold property	- 2% Straight Line
Plant and machinery	- 12.5% Straight Line
Fixtures, fittings and equipment	- 12.5% Straight Line
Computers	- 20% Straight Line

Assets not carried at fair value are also reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount.

The recoverable amount is the higher of an asset's fair value less costs to sell and value in use. Value in use is defined as the present value of the future pre-tax and interest cash flows obtainable as a result of the asset's continued use. The pre-tax and interest cash flows are discounted using a pre-tax discount rate that represents the current market risk free rate and the risks inherent in the asset. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash-generating units).

If the recoverable amount of the asset (or asset's cash generating unit) is estimated to be lower than the carrying amount, the carrying amount is reduced to its recoverable amount. An impairment loss is recognised in the profit and loss account, unless the asset has been revalued when the amount is recognised in other comprehensive income to the extent of any previously recognised revaluation. Thereafter any excess is recognised in profit or loss.

If an impairment loss is subsequently reversed, the carrying amount of the asset (or asset's cash generating unit) is increased to the revised estimate of its recoverable amount, but only to the extent that the revised carrying amount does not exceed the carrying amount that would have been determined (net of depreciation) had no impairment loss been recognised in prior periods. A reversal of an impairment loss is recognised in the profit and loss account.

Leasing and hire purchases

Tangible fixed assets held under leasing and hire purchases arrangements which transfer substantially all the risks and rewards of ownership to the company are capitalised and included in the Balance Sheet at their cost or valuation, less depreciation. The corresponding commitments are recorded as liabilities. Payments in respect of these obligations are treated as consisting of capital and interest elements, with interest charged to the Profit and Loss Account.

Investments

Investments held as fixed assets are stated at cost less provision for any permanent diminution in value. Income from other investments together with any related withholding tax is recognised in the profit and loss account in the year in which it is receivable.

Stocks

Stocks are valued at the lower of cost and net realisable value. Stocks are determined on a first-in first-out basis. Cost comprises expenditure incurred in the normal course of business in bringing stocks to their present location and condition. Full provision is made for obsolete and slow moving items. Net realisable value comprises actual or estimated selling price (net of trade discounts) less all further costs to completion or to be incurred in marketing and selling.

Trade and other debtors

Trade and other debtors including amounts owed to group companies are recognised initially at transaction price (including transaction costs) unless a financing arrangement exists in which case they are measured at the present value of future receipts discounted at a market rate. Subsequently these are measured at amortised cost less any provision for impairment. A provision for impairment of trade debtors is established when there is objective evidence that the company will not be able to collect all amounts due according to the original terms of receivables. The amount of the provision is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the effective interest rate. All movements in the level of the provision required are recognised in the profit and loss.

Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and on hand, demand deposits with banks and other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. In the Balance Sheet bank overdrafts are shown within Creditors.

NOTES TO THE FINANCIAL STATEMENTS

continued

for the financial year ended 31 December 2019

Trade and other creditors

Trade and other creditors are initially recognised at fair value and thereafter stated at amortised cost using the effective interest rate method, unless the effect of discounting would be immaterial, in which case they are stated at cost.

Related parties

For the purposes of these financial statements a party is considered to be related to the company if:

- the party has the ability, directly or indirectly, through one or more intermediaries to control the company or exercise significant influence over the company in making financial and operating policy decisions or has joint control over the company;
- the company and the party are subject to common control;
- the party is an associate of the company or forms part of a joint venture with the company;
- the party is a member of key management personnel of the company or the company's parent, or a close family member of such as an individual, or is an entity under the control, joint control or significant influence of such individuals;
- the party is a close family member of a party referred to above or is an entity under the control or significant influence of such individuals; or
- the party is a post-employment benefit plan which is for the benefit of employees of the company or of any entity that is a related party of the company.

Close family members of an individual are those family members who may be expected to influence, or be influenced by, that individual in their dealings with the company.

The company discloses transactions with related parties which are not wholly owned within the same group. It does not disclose transactions with members of the same group that are wholly owned.

Taxation and deferred taxation

Current tax is calculated on the profits of the period. Current tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the balance sheet date.

Deferred tax is provided in full on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the balance sheet date and are expected to apply when the related deferred income tax asset is realised or the deferred tax liability is settled.

Deferred tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the balance sheet date and are expected to apply when the related deferred income tax asset is realised or the deferred tax liability is settled. Deferred tax is recognised in the profit and loss account or other comprehensive income depending on where the revaluation was initially posted.

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised.

Current or deferred taxation assets and liabilities are not discounted.

Government grants

Capital grants received and receivable are treated as deferred income and amortised to the Profit and Loss Account annually over the useful economic life of the asset to which it relates. Revenue grants are credited to the Profit and Loss Account when received.

Foreign currencies

The accounts are expressed in Euro (€).

Monetary assets and liabilities denominated in foreign currencies are translated at the rates of exchange ruling at the Balance Sheet Date. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated at the rates of exchange ruling at the date of the transaction. Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. The resulting exchange differences are dealt with in the profit and loss.

Pensions

The company operates a defined contribution pension scheme for employees. The assets of the scheme are held separately from those of the company. Annual contributions payable to the company's pension scheme are charged to the Profit and Loss Account in the period to which they relate.

15. RELATED PARTY TRANSACTIONS

The company has availed of the exemption under FRS 102 in relation to the disclosure of transactions with group companies.

16. CONTROLLING INTEREST

The company regards its director [REDACTED] as the ultimate controlling party.

17. POST-BALANCE SHEET EVENTS

[REDACTED] In common with many other countries, the Irish government issued guidance and restrictions on the movement of people designed to slow the spread of the virus. In early March 2020, many businesses closed voluntarily and throughout the month more restrictions were placed on people and businesses. On 28th March, all "non essential" businesses were ordered to close temporarily.

The company diversified accordingly with the pandemic into the production of [REDACTED]. By doing so, the company became an essential business and was not forced to close temporarily like many others.

18. BANK GUARANTEES

Ulster Bank hold a personal guarantee in the amount of €20,000 & €150,000.
